Sir,

Subject:- Establishment - mangalore Municipality -
Departmental management of the Municipal Webster Market -
additional post of Sanitary Inspector - Sanction - Solicited.

The right of collection of ticket fees in the Webster Market for 1944-45 was sold by public auction to one Sri B. Padmappa. But owing to the outbreak of plague in an epidemic form the market has been shifted to the Central Maidan temporarily from 24th March 1944 to 17th July 1944.

The market was in a dilapidated condition. The ugly structures of the market with mud walls, temporary extensions to the stalls or shops the bunks and the flower garden harboured rats and as a result the whole market premises were full of rat holes. The market is being reconstructed. All the shabby extensions to shops etc have since been removed and the shops properly cement-plastered and stalls improved at a high cost. It is now assuming a decent appearance.

On the application received from the lessee of this market for the cancellation of the lease the Municipal Council in its resolution No.23, dated the 1st May 1944 resolved to cancel the contract with effect from the date on which it is to be reshifted to the old building.

To preserve the present decent appearance and the sanitary condition of the market and to establish the new arrangements of the stalls on a stable basis, the Municipal Health Officer recommended that the same might be managed departmentally with effect from the date on which the market will be re-shifted from the 'Central Maidan' till 1st April 1945.

The matter was placed before the council and it has approved the above proposal and sanctioned the following additional staff in its resolution No.33, dated the 3rd July 1944 (copy enclosed) for work connected with the collection of fees and supervision of this and as well as other markets:-

One bill collector, four fee collection peons, two sweepers and one Sanitary Inspector.

The Inspector of Municipal Councils has been separately addressed for sanctioning the above additional staff except for the post of Sanitary Inspector.

I therefore request that Government may be pleased to accord sanction for the employment of the post of a Sanitary Inspector on Rs.55 per month in the scale of Rs.55-5/2-85-4/2-105 with the usual dearness allowance with effect from 17th July 1944.

the proposed date of re-shifting of the market till
31st March 1945.

A proposition statement in the prescribed form is
enclosed.
